This is Sanjay Kondaas , Managing Director of Kondaas Automation Private Limited , With this Testimonial I would like to deeply convey my appreciation to Mr.Yuvaraj of SAI GRANITES AND TILES , Coimbatore for the fabulous work they have done at our site

We had engaged, Sai Granites, to do ,the Granite flooring work at our residence ; "**Santhanams**" in Alamelu Nagar. We were deeply impressed with Mr.Yuvaraj on these specific counts

- His deep knowledge on the product & his sense of design by which he suggested us the most appropriate product
- Delivered the best quality @ the right time
- The workmans he personally suggested ,were too good and they kept their commitment both in terms of time & cost without compromising on the quality of workmanship
- All this he did to us at a great price ,

Overall I had a great and a very Delightful experience dealing with him .With this attitude , I m sure, Mr Yuvraj ,would scale greater heights in business.

I would sincerely recommend him to my friends in the future

Yours Truly
